To Whom It May Concern,

Lightweight Concrete Solutions LLC was our lightweight insulating concrete subcontractor on the Benbrook Middle School project for Ft. Worth ISD. Our subcontract with Lightweight Concrete Solutions LLC was for \$150,000.00 The work included the installation of lightweight concrete and expanded polystyrene board (EPS) over the metal deck.

Lightweight Concrete Solutions LLC performed the work on this project in a timely and professional manner. The work was adequately staffed and supervised and we look forward to the opportunity to work with Lightweight Concrete Solutions LLC on future projects.

Please feel free to contact me with any questions you may have.

Sincerely,

A handwritten signature in blue ink, appearing to read "R. Yoder", is written over a light blue horizontal line.
