

# Quality Roofing of Florida, Inc.

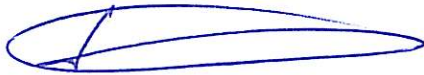

Subject: Letter of Recommendation for Lightweight Concrete Solutions LLC

To whom it may concern:

It is my pleasure to recommend Lightweight Concrete Solutions LLC. I appreciate the work and service they provided on the University of Central Florida project.

The crew took great care in meeting our needs while keeping on schedule and providing us with a quality roof deck. I would recommend Lightweight Concrete Solutions for any future projects.

Sincerely,

Richard C. Jenkins  
President  
Quality Roofing of Florida Inc.
